Re: Application for the position of senior front-end developer

Dear Hiring Manager,

By means of this letter I would like to inquire about the possibility of filling an outstanding job position at this organization. My preference would be to fill the position of Senior Front End Developer.

I have done MCA from Graphic era university and have more than 8 years of experience as a front-end developer.

Primary silks are on developing user interface components and implementing them following well-known React.js workflows (such as Flux or Redux).

My role is to ensure that these components and the overall application are robust and easy to maintain.

Responsibilities Developing new user-facing features using React.js Building reusable components and front-end libraries for future use Translating designs and wireframes into high quality code Optimizing components for maximum performance across a vast array of web-capable devices and browser Skills Strong proficiency in JavaScript, including DOM manipulation and the JavaScript object model Thorough understanding of React.js and its core principles Experience with popular React.js workflows (such as Flux or Redux).

Familiarity with knowledge of modern authorization mechanisms, such as JSON Web Token Familiarity with modern front-end build pipelines and tools Experience with common front-end development tools such as Babel, Webpack, NPM, GITLAB, SVN, FileZilla, Webpack, Jest, Puppeteer, Agile Scrum Development, Visual Code Studio and Extensions etc.

Ability to understand business requirements and translate them into technical requirements.

Experience in working Ecommerce based applications and making responsive web application.

I am currently working as Technical Lead at NatWest Group in Gurgaon. In this position I am responsible for Creating different screen for foreign exchange currency trading application and Reviewing PR as well.

I am excited to be applying to this organization and for the opportunity to work on, I truly admire and would feel privileged to be a member of the team.

I would like to further explain my motivation to work during a personal meeting. You can reach me either by phone via **+918448170602** or by email via **luckyamy000@gmail.com**. Thank you for your consideration.

Thank you for your time and consideration. *I look forward to meeting you soon and I am happy to answer any questions you have.*

Sincerely,

Amit Chauhan
